

## **Vinod Ramnani, CMD, Opto Circuits (India) Ltd. honored with Forbes India “NextGen Entrepreneur for the Year” Award 2012**

**Mumbai/Bengaluru, India | October 1, 2012**

Vinod Ramnani, CMD, Opto Circuits (India) Ltd. was conferred the “NextGen Entrepreneur for the Year” Award for 2012 at the second Forbes India Leadership Awards presentation ceremony, for strategically moving up the value chain and transforming the Company from an OEM business to a company that owns a suite of branded medical equipment and interventional devices.

Gurmeet Singh, CEO, Forbes India and Karl Slym, MD & CEO, Tata Motors presented the trophy to Vinod Ramnani at an event held at The Trident, Nariman Point, Mumbai on 28th September 2012.

The winners were chosen by a high - powered jury headed by KV Kamath - Chairman of Infosys and the non-executive chairman of ICICI bank.

The entrepreneurs nominated for the NextGen Entrepreneur for the Year category, are leaders who have transformed an enterprise through an innovative approach, redefined the rules of business and prepared their companies for a whole new vector of growth.

On receiving the award, Vinod Ramnani said, “It is a great privilege to receive this recognition by Forbes India. We have been very fortunate to have multiple opportunities to grow and differentiate our organization while bringing quality and top of the line technology to our users. It is a matter of great pride that Forbes has chosen to recognize the Company’s passion, dedication and entrepreneurial spirit.”
