Subject: Certificate of Registration For ISO 9001:2008 & ISO 13485:2003

Reference: File No. A15778, Project No. 10CA30495

Dear Mr. Somashekar:

Underwriters Laboratories Inc. is pleased to endorse the recommendation of the Assessment Team to register your facility for the scope as detailed on the Certificate enclosed.

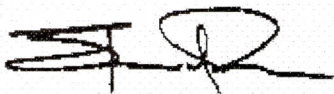

With this endorsement, the facility identified on the Certificate is accorded the right to publicly announce its status as a UL Registered Firm and to use the UL Registered Firm Mark as described in the UL's Quality Registration Program Requirements.

Also, as stated in UL's Quality Registration Program Requirements, Continuous Assessments of this facility registration will be conducted to verify continued compliance with the requirements of ISO 13485:2003. Changes or improvements in quality system operations and/or documentation will be assessed during these assessments. Please contact UL to verify that any proposed changes are in compliance with the Standard prior to implementation.

Finally you can view this Certificate of Registration by going to the UL Online Certification Directory and entering your company name or UL File Number (A15778).

Once again, we congratulate you and your staff on this fine achievement. If we can be of any additional assistance, please do not hesitate to contact us.

Sincerely,

Steve McRoberts, CSci CPhys MinstP
Global Principal Engineer – Medical
